

Burlington Humane Society June 2023 Newsletter

Thank You So Much for Volunteering!

Thank you to all our wonderful volunteers who put so much time, effort and care into helping Burlington Humane carry out our mission of finding forever homes for Burlington's stray and abandoned dogs and cats.

Volunteer Opportunities Available!

If you would like to volunteer, we need your abilities. We are especially in need of volunteers to help with feeding and cleaning and walking our dogs and volunteers to staff our reception desk. If you have the time and desire, your help will make a huge difference in the lives of our animals.

Fill in a volunteer application to get started.

Spay or Neuter Your Pet

With the arrival of Spring we are seeing the usual influx of kittens. Please be a responsible pet owner and spay/neuter your pets to help reduce the number of unwanted animals that arrive at our doors each year.

Your efforts make a big difference!!!

Weddings at Burlington Humane

Include Burlington Humane on your special day. In lieu of wedding favours, honour your guests by donating to Burlington Humane. Your guests will appreciate your thoughtfulness!!

No Hot Pets

During these hot dog days of summer, remember never to leave your pet in your car. Even in the shade, the temperature in a car can rise and it can quickly feel like an oven.

"I left the windows down for him",

"It's not too hot for me",

"I wasn't going to be gone long".

No more excuses!! Never leave your pet in a car!! And if you see an animal left in a car, phone **310-SPCA**, 911 or your local police.

Act quickly and save a life! No hot pets!!

Accidents Happen; Know What to Do Pet First Aid

Learn what to do until you can take your pet to the veterinarians. Register for our 10 hour Pet First Aid course, which will take place on Sunday, July 9 and Sunday, August 13, 2023.

Participants will learn:

- How to prevent injuries
- Early signs of illness & poisoning
- Bandaging & splinting techniques
- Emergency medical conditions
- Choking, artificial respiration & CPR
- And much, much more.

Fun Fact

Cats developed their meows to communicate with people and they have over 100 different vocalizations! Only kittens meow to let their mothers know they are hungry or cold. Adult cats don't meow at each other.

Leave your Legacy: "Hearts of Humane"

Make an ongoing commitment by prearranging monthly donations of any amount you choose.

This allows us to provide care to all our animals. Learn about this and other ways to give on our website.

Thank you
