Pet Therapy Event

The residents at the Williamsburg Retirement Home had a great show as the animals from our Pet Therapy group strutted their stuff down the runway. The residents were delighted as our animals showed off their talents and mingled with the audience. "It was such a great event for our residents", said one of the attendants, "I hope we can do this every year".

Pet First Aid

Congratulations to all our participants who became Pet First Aid certified this weekend at our Pet First Aid course. They did really well in the course, as they learned what to do in an emergency until they can get their pet to the veterinarian. We even had some animal friends join us for the course.

The curriculum from Walks 'N' Wags Pet First Aid is used and our next courses will be Sunday, August 13 and September 10.

Participants Learned:

- Bandaging
- Breaks & Splinting
- Artificial Respiration
- Cardio-Pulmonary Resuscitation (CPR)
- Treating Burns
- Extreme cold
- and much much more!!

Our 2024 Burlington Humane Calendar will feature all pet photos submitted and a few lucky recipients will be featured on our monthly pages. There are limited spots available, so enter your pet today so they can have a spot in our calendar and be Calendar Stars!
